Medical Disclaimers

For more information about Aetna plans, go to **www.AetnaRetireePlans.com** or call Member Services at toll-free at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The provider network may change at any time. You will receive notice when necessary.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The complete list of services can be found in the Evidence of Coverage (EOC). You can request a copy of the EOC by contacting Member Services at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your Evidence of Coverage
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare covered services under the plan.

Pharmacy Disclaimers

Aetna's retiree pharmacy coverage is an enhanced Part D Employer Group Waiver Plan that is offered as a single integrated product. The enhanced Part D plan consists of two components: basic Medicare Part D benefits and supplemental benefits. Basic Medicare Part D benefits are offered by Aetna based on our contract with CMS. We receive monthly payments from CMS to pay for basic Part D benefits. Supplemental benefits are non-Medicare benefits that provide enhanced coverage beyond basic Part D. Supplemental benefits are paid for by plan sponsors or members and may include benefits for non-Part D drugs. Aetna reports claim information to CMS according to the source of applicable payment (Medicare Part D, plan sponsor or member).

Aetna's pharmacy network includes limited lower-cost, preferred pharmacies in Suburban Arizona, Suburban Illinois, Urban Kansas, Rural Michigan, Urban Michigan, Urban Missouri, Urban Pennsylvania, Suburban Utah, Suburban West Virginia, Suburban Wyoming. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 1-866-241-0357 (TTY: 711) or consult the online pharmacy directory at http://www.aetnaretireeplans.com.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

You must use network pharmacies to receive plan benefits except in limited, non-routine circumstances as defined in the EOC. In these situations, you are limited to a 30 day supply.

Pharmacy clinical programs such as precertification, step therapy and quantity limits may apply to your prescription drug coverage.

Members who get "extra help" don't need to fill prescriptions at preferred network pharmacies to get Low Income Subsidy (LIS) copays.

Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered "mail-order pharmacies." Therefore, most specialty drugs are not available at the mail-order cost share.

The typical number of business days after the mail order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail order delivery. If your mail order drugs do not arrive within the estimated time frame, please contact us toll-free at 1-866-241-0357, 24 hours a day, 7 days a week. TTY users call 711.

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs. The amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and moves you through the coverage gap.

Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

There are three general rules about drugs that Medicare drug plans will not cover under Part D. This plan cannot:

- Cover a drug that would be covered under Medicare Part A or Part B.
- Cover a drug purchased outside the United States and its territories.
- Generally cover drugs prescribed for "off label" use, (any use of the drug other than indicated on a drug's label as approved by the Food and Drug Administration) unless supported by criteria included in certain reference books like the American Hospital Formulary Service Drug Information, the DRUGDEX Information System and the USPDI or its successor.

Additionally, by law, the following categories of drugs are not normally covered by a Medicare prescription drug plan unless we offer enhanced drug coverage for which additional premium may be charged. These drugs are not considered Part D drugs and may be referred to as "exclusions" or "non-Part D drugs". These drugs include:

- Drugs used for the treatment of weight loss, weight gain or anorexia
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Outpatient drugs that the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
- Drugs used to promote fertility
- Drugs used to relieve the symptoms of cough and colds
- Non-prescription drugs, also called over-the-counter (OTC) drugs
- Drugs when used for the treatment of sexual or erectile dysfunction

Your plan includes supplemental coverage for some drugs not typically covered by a Medicare Part D plan. Refer to the "Non-Part D Supplemental Benefit" section in the chart above. Non-Part D drugs covered under the non-part D supplemental benefit can be purchased at the appropriate plan copay. Copayments and other costs for these prescription drugs will not apply toward the deductible, initial coverage limit or true out-of-pocket threshold. Some drugs may require prior authorization before they are covered under the plan.

How vision insurance can help you see clearly as you get older.

Vision insurance

Vision insurance helps protect the health of your eyes by providing coverage for benefits that often aren't covered by regular medical insurance.

Protecting your eyesight means allowing for routine visits to the optometrist for eye exams, as well as coverage for glasses and contacts. Make sure your eyes remain in great shape at any age – no matter how much time you spend staring at digital screens.

Who is it for?

Even if you have perfect eyesight, it's important to have regular eye exams to make sure you're still seeing clearly. Most of us may eventually need vision correction, which is why we offer vision insurance to cover some of the costs.

What does it cover?

Vision insurance covers benefits not typically included in medical insurance plans. It covers things like routine eye exams, allowances towards the purchase of eyeglasses and contact lenses, as well as discounts on corrective Lasik surgery.

Why should I consider it?

Regular eye exams can detect more than failing eyesight, they can also pick up diseases like glaucoma and diabetes. Vision problems are one of the most prevalent disabilities in the United States, making vision insurance especially useful for anyone who regularly needs to purchase eyeglasses or contacts, or anyone who simply wants to help protect their eyesight and general health.

You will receive these benefits if you meet the conditions listed in the policy.

20/20 coverage

David notices that his vision is deteriorating. He goes in for an eye exam, and is diagnosed with myopia, which means he needs glasses.

Average cost of vision exam: **$171**

Average cost of frames and lenses: **$350**

Total cost: **$521**

With a Vision policy from Guardian, David pays just **$10** for his eye exam. After **$25** in copay, his lenses are fully covered, and he pays **$96** for his frames.

David's total out-of-pocket expense is **$131**, saving him **$390**.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.
